

## Plan your journey

Do not go to the airport if you have the following symptoms: Fever, Cough, Shortness of breath, Loss of Taste or Smell

Complete your statement of health prior to checking in

Ensure you have enough medical face masks for your journey

## To the airport

Be aware that **only travellers** may enter the airport terminal buildings

**Leave enough time** to allow for checks and new procedures

Follow **cough etiquette** and wear a **medical face mask** to protect yourself and your fellow passengers

## Departure airport

Ask airport or airline staff if you have any **questions** or concerns

**Check in online if possible**, bring everything you need for your journey and have all documents ready

Make sure to practice **physical distancing**, wear a **medical face mask** and expect to be refused boarding if you don't

Comply with thermal screening, if requested

## On the plane

Practice **hand hygiene**, follow **cough etiquette** and wear a **medical face mask**

Watch the cabin safety demonstration to be aware of **specific instructions** for your flight

If you feel **ill** while travelling, inform crew and seek medical care as soon as possible

**Limit your movement in the cabin** to that essential for well-being

## Arrival airport

Practice **physical distancing**, **hand hygiene** and **cough etiquette** and wear a **medical face mask**

**Collect your bags** and leave the terminal building as soon as possible

**Reduce the risk of virus transmission** by minimising interaction with people in the arrival terminal
