Ex-ante publicity notice in negotiated procurement procedure

Subject: "HIV drug resistance surveillance pilot" – NP/2017/OCS/7432

Short description

The purpose of this project is to assist ECDC in: a) refining the objectives for the surveillance of HIV drug resistance (HIVDR) data relevant to EU/EEA countries; b) proposing a reporting system for HIVDR data in the EU/EEA countries; c) carrying out a pilot with select countries who will report HIVDR data in a common format; d) assessing the quality of the data collected and the feasibility of such a reporting system and e) recommending a suitable reporting protocol and dataset to be adopted in the EU/EEA.

Description of the procedure:

This ex-ante publicity is the first stage of a negotiated procurement procedure below €60,000 with a minimum of 3 candidates, through which ECDC may award the above-mentioned contract.

All economic operators interested in providing the services described above should express their interest before **31/03/2017**, 16h00 CET, by e-mail to tenders@ecdc.europa.eu with the same subject reference as indicated above.

In their expression of interest interested economic operators should demonstrate their ability to provide the relevant services and provide the following information:

- Name
- Address
- Contact person
- E-mail
- Description of main area of business/expertise (max 500 words)

This information will be taken into account by ECDC in order to identify potential candidates.

The Request for Offers and related documents will be provided by e-mail only to the identified candidates.

Please note that ECDC reserves the right not to launch the negotiated procedure.
