

Ex-ante publicity notice in negotiated procurement procedure

Subject: "Interior design Consultancy" NP/2016/RMC/7913/01

Short description

The European Centre of Disease Prevention and Control (ECDC), www.ecdc.europa.eu was established in 2005. It is a European Union (EU) Agency with the aim to strengthen Europe's defences against infectious diseases. It is seated in Stockholm, Sweden.

In light of the expiration of the lease contract for its current premises in May 2018, ECDC has looked for and identified building space to lease in order to secure long-term premises.

ECDC is planning to lease a space of about 9,500 square metres. The space is composed of different types of areas (non-exhaustive list): reception, office spaces, meetings rooms, conference spaces, social areas, kitchenettes, canteen, relaxation rooms, gym, library, special purpose rooms (i.e., Emergency Operations Centre - EOC), corridors / halls and other areas if required.

The space will be adapted to ECDC's needs through the fitting-out of an existing building.

After signature of the lease contract planned in July 2016, ECDC will require assistance in planning and design of the interiors of the future premises. The estimated period will be eight months from the date of the signature of the contract, which is estimated to be done in September 2016.

Therefore ECDC is looking to contract high quality consulting services for interior design, with specific knowledge, experience and competence in the planning and implementation of similar interior design projects.
