

## Ex-ante publicity notice in negotiated procurement procedure

**Subject: “ESAC-Net: Support to analysis of 2015 antimicrobial consumption data and to coordination activities: implementation of new hospital-based surveillance module; specific analyses for the 2<sup>nd</sup> JIACRA report, specific scientific contributions on antimicrobial stewardship”**  
**Ref. NP/2016/OCS/5229/01**

### Short description

The assignment will provide ESAC-Net sustainable specific technical consultancy in 2016; i.e. consultancy on analyses and reporting of 2015 surveillance data, support to the foreseen implementation of a hospital-based surveillance module and the data analysis for the newly requested Joint Interagency Antimicrobial Consumption and Resistance Analysis (JIACRA) report, and scientific contributions for further ESAC-Net coordination activities.

### Description of the procedure:

This ex-ante publicity is the first stage of a negotiated procurement procedure below 60,000 with a minimum of 3 candidates, through which ECDC may award the above-mentioned contract.

All economic operators interested in providing the services described above should express their interest before **02/06/2016**, 17h00 CET, by e-mail to **tenders@ecdc.europa.eu** with the same subject reference as indicated above.

In their expression of interest interested economic operators should demonstrate their ability to provide the relevant services and provide the following information:

- Name
- Address
- Contact person
- E-mail
- Description of main area of business/expertise (max 500 words)

This information will be taken into account by ECDC in order to identify potential candidates.

The Request for Offers and related documents will be provided by e-mail only to the identified candidates.

Please note that ECDC reserves the right not to launch the negotiated procedure.
