Ex-ante publicity notice in negotiated procurement procedure

Subject: "Two systematic reviews on HPV vaccination" NP/2016/OCS/9150/01

Short description

The aim of this assignment is to support the ECDC Vaccine-Preventable Diseases (VPD) Programme to conduct two systematic literature reviews in the area of HPV vaccines in EU/EEA countries. The two systematic literature reviews include the following objectives: 1) HPV immunogenicity and tolerability of the 9-valent HPV vaccine and 2) Efficacy/effectiveness of HPV vaccination in women not previously included in the target population/special populations.

Description of the procedure:

This ex-ante publicity is the first stage of a negotiated procurement procedure below 60,000 with a minimum of 3 candidates, through which ECDC may award the above-mentioned contract.

All economic operators interested in providing the services described above should express their interest before **14/10/2016**, 16h00 CET, by e-mail to **tenders@ecdc.europa.eu** with the same subject reference as indicated above.

In their expression of interest interested economic operators should demonstrate their ability to provide the relevant services and provide the following information:

- Name
- Address
- Contact person
- E-mail
- Description of main area of business/expertise (max 500 words)

This information will be taken into account by ECDC in order to identify potential candidates.

The Request for Offers and related documents will be provided by e-mail only to the identified candidates.

Please note that ECDC reserves the right not to launch the negotiated procedure.
