Ex-ante publicity notice in negotiated procurement procedure

Subject: “Technical document, Immunisation Information System” – NP/2016/OCS/8939

Short description

The purpose of this assignment is to provide short-term scientific and technical consultancy to the Vaccine Preventable Diseases (VPD) Programme at ECDC. The focus of the consultancy will be the area of immunisation information systems (IIS) in the EU/EEA.

Description of the procedure:

This ex-ante publicity is the first stage of a negotiated procurement procedure below 60,000 with a minimum of 3 candidates, through which ECDC may award the above-mentioned contract.

All economic operators interested in providing the services described above should express their interest before **26/09/2016**¹, 16h00 CET, by e-mail to **tenders@ecdc.europa.eu** with the same subject reference as indicated above.

In their expression of interest interested economic operators should demonstrate their ability to provide the relevant services and provide the following information:

- Name
- Address
- Contact person
- E-mail
- Description of main area of business/expertise (max 500 words)

This information will be taken into account by ECDC in order to identify potential candidates.

The Request for Offers and related documents will be provided by e-mail only to the identified candidates.

Please note that ECDC reserves the right not to launch the negotiated procedure.

¹ Minimum 17 days after dispatch to PBO
